Other things I would like to say

Before the meeting

After the meeting

Other things I would like to say

Before the meeting

After the meeting

Having an advocate

An advocate is someone who can support you at your care planning meeting or speak up for you at any time.

If you would like an advocate

Please tell us.

We can give you more information or get someone from the advocacy service to come and talk to you.

If you have an advocate

My advocate is:

name:

address:

telephone:
